

	Basketball England Level 2 Certificate in Coaching Practical Coaching Assessment Observation Checklist	
	Coach: _____	Date: _____
	Assessor: _____	Venue: _____

In order to be deemed competent, the learner must demonstrate competence in each criterion. Through the practical demonstration, learners must meet a minimum of 12 out of 16 points. Other elements of the criteria which have not been seen or need further questioning, can be covered post-delivery with the assessor. Overall competence is recorded at the end of the checklist.

The evidence column must contain one of the following codes to identify what the assessment decision is based on (*Obs – observation, Q – questioning after the observation of performance + the number identified on the question sheet*). It is strongly recommended that notes/comments are provided to support the assessment decision.

	<i>The coach has....</i>	EVIDENCE (obs/q+ no)	OUTCOME	NOTES / COMMENTS
	<i>Prior to the session</i>			
1	Developed a session plan that is well planned, taking into account: <ul style="list-style-type: none"> • MOGs • POGs • Needs of the participants 			
2	Organised facilities, resources, and equipment for the session, conducting the required health and safety checks			
	<i>During the session</i>			
3	Shared a suitable and brief introduction to the session			
4	Demonstrated rapport with participants which was supported by a player centred learning environment			
5	Utilised a game based approach, using small sided games.			
6	Delivered a session that relates to development of the 'Game Aware' pillar and promotes learning through technically accurate explanations and demonstrations			
7	Used an approach which allows players to make decisions and explore the game.			
8	Demonstrated the application of the 'Skilled Technician' pillar, delivering appropriate content to support proficiency within the POGs			
9	Through effective observation, demonstrated the ability to select appropriate technique(s) and skill(s) to improve player performance, relevant to the selected MOG and POG
