LGBT History Month!

We're taking this month to focus on Equality, Diversity and Inclusion and its importance in the sports community. Look out for blog posts, interviews and a closer look at the impact of EDI on our social media.

To help raise awareness of the importance of equality, diversity and inclusion we are running a series of workshops throughout February, including UK Coaching Safeguarding and Protecting Children, Equality in Sport and Physical Activity and an Inclusive Activity Programme. All of our workshops can be found within this newsletter or [click here](#).

We're adding the latest newsletters to our website

We appreciate it's hard to keep track of emails sometimes, so to save you from searching through your inbox, we will be spending February adding our newsletters to our website.
