Apprenticeships

Step into the equestrian industry with our new apprenticeships, learn with approved professionals and develop your skills in the working world.

In partnership with 

Take the reins on your equestrian learning

Learn while you earn, with a range of qualification routes delivered in an equestrian setting. Choose qualifications in equestrian and business, from leadership and digital marketing to groom and senior equine groom.

Track right with our support and care

Become part of a wider community of learners, with qualified support team and likeminded peers on hand to share the experience. It's not just the learning to benefit from, but also more added value experiences.

Passage into the BD professional pathways

Apprenticeship learning provides you with the best foundation skills to be able to progress onto our other professional qualifications such as coaching and judging.
